SPA

THE PLACE TO HEAL YOUR BODY, RELAX YOUR
MIND AND REVITALIZE YOUR SPIRIT

Evolution is progress in harmony with nature. However, in today's busy world this connection can be lost. In the unique setting of Pikaia Lodge's Sumaq Spa, we aim to re-align you and your body with the Earth.

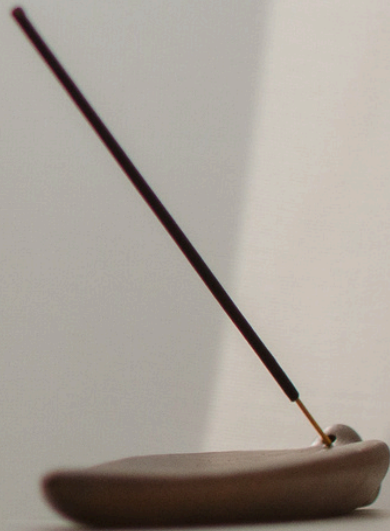

THE TREATMENTS

We offer a wide range of treatments to help you relax and rejuvenate.

These include: massage, reflexology, facials, scrubs and wraps.

Treatments can be done individually, as a couple, on a single basis or as part of a lavish package.

** Please ask our Spa experts to assist you in choosing the correct treatment or program. Our treatments use natural products. We hope you have a relaxing experience!

Mother of Pearl	\$70	30min
Sunburn Soother	\$60	30min

BODY EXFOLIATION + BODY WRAPS

Passion Fruit

Firming and brightening, this delightful tropical body wrap is rich in anti-ageing ingredients such as Vitamin C.

Coffee

The particles gained from coffee beans will remove dead skin cells, improve microcirculation and stimulate the skin, preparing it for treatment. The caffeine stimulates the burning of fat and increases metabolism.

Sea Salt and Honey Gel

This massage uses marine extracts and natural honey to nourish and tone your skin. It will also remove dead skin cells and impurities.

Mother of Pearl

Let your skin shine like a pearl with this natural exfoliation. The secret of regeneration lies in its components, which protect the shell from the rough underwater living conditions.

Volcanic Mud

The mixture used is rich in minerals and volcanic ash from Galapagos. It absorbs excess liquid held between skin cells by applying pressure, leaving a smooth appearance.

Marine Algae

Algae are packed with amino acids and vitamins, which help draw out toxins from the skin. The Algae Wrap will nourish the skin, minimize water retention and remove harmful toxins.

Sunburn Soother

This wrap is applied with special attention paid to sunburnt areas. This treatment will lower body temperature, moisturize and encourage new cell growth.
